9:00 – 15:00

GETTING BACK TO BACKGROUND KNOWLEDGE

One of the key stumbling blocks to student success is the understanding of vocabulary and background knowledge. This workshop will investigate the causes and solutions to this problem and construct strategies to achieve this goal.

CARTOGRAF-ING: POWER MAPPING AND INTELLECTUAL OPERATIONS IN THE SOCIAL SCIENCES

This hands-on workshop will take you through the process of developing strategies and materials for the new Cartograf online mapping and drawing application.

PROMOTING INCLUSION: STRATEGIES THAT WORK!

This workshop will provide teachers with key insight into effective strategies to support students with special needs. Participants will leave with resources and hands-on materials that will support lesson planning, IEP writing and the implementation of best practices within the inclusive classroom setting.

ART MACHINE 3

A hands-on workshop designed to inspire the teacher's creative ideas and allow for practical and concrete art projects in the classroom for the year. Drama and music ideas for the classroom will be provided.

TECHNOLOGY IN THE CLASSROOM (ATELIER BILINGUE)

Integrating technology in the classroom goes beyond teaching basic computer skills and software programs. VoiceThread, video-conferencing, movie-making, iPad integration are just a few of the tools that will be explored.

ART OF SEX ED...ATTITUDE REASSESSMENT FOR TEACHERS

Through presentations, exercises and discussions, this workshop will assist participants in understanding the professional posture of doing sex education, and how attitudes and values affect them personally and professionally.

NATIONAL FILM BOARD

Using NFB films in the classroom to complement your syllabus has never been easier, quicker or more efficient! CAMPUS, our brand new online educational hub provides access to over 3000 films. You can also easily create playlists and chapters in addition to a multitude of educational resources, including lesson plans and pedagogical descriptions. Let our experienced team explain how best to leverage this invaluable resource, customized to your teaching needs.

THE HEART AND ART OF TEACHING AND LEARNING

This interactive session for beginning teachers and mentors will explore practical ideas and resources for living the heart and art of teaching and learning in four key areas: connecting with students, passion for teaching, attribute-based approach and the importance of school culture.

DRUM CIRCLE FACILITATION (ATELIER BILINGUE)

This workshop will provide teachers with the necessary tools to facilitate a drum circle. With more than 30 drums, percussion instruments and improvisational activities, you will learn how to explore rhythm with children.

STRESSED? IT'S JUST DESSERTS SPELLED BACKWARDS!

This interactive and practical workshop will examine the nature of stress, the causes and its consequences. You will learn some very effective strategies to help you become more resilient to the stressors in your own life.

QPAT HUMAN RIGHTS AND SOCIAL JUSTICE ADVOCATES

A full-day of practical and hands-on tools and resources for educators devoted to issues related to human rights and social justice.
