

Good afternoon,

There is still a lack of information concerning exemptions from returning to school buildings. Clarity is expected on the weekend. Therefore if you have requested one for any reason you may not get an answer before Sunday. You are strongly suggested to check your email over the weekend, if you are unsure.

What is clear is the following:

- 1 - If you are over 60 do not report on Monday. You do not need to do anything.
- 2 - If you are pregnant do not report on Monday. Advise your administrator.
- 3 - If you are breastfeeding do not report on Monday. Advise your administrator.

ALL OTHER CASES

You MUST complete the form sent out this morning by ESTA and your administrator. This needs to be emailed to Cora-Lee Mann, as soon as possible. By Friday, May 1 at the latest. If you are not sure about your situation fill in the form. This is for employees with chronic illnesses, or those with spouses, children or other family members who are ill. You should also use the form if you are caring for elderly parents who are ill.

Expect more information from your administrator's tomorrow afternoon about what will be happening next week.

Please be patient with the school board, your administrator and the union. The government has changed a few a of it's decisions this week and information isn't being passed along until it has been clarified. Information will be shared as it is received.

Thank you,
Gillian
